The Bakersfield Gunners is a non profit corporation that operates a variety of competitive youth soccer teams in Bakersfield, California. As a non profit organization, we rely on player fees and donations to maintain the club, pay its coaching staff, satisfy a variety of league fees, maintain our own practice fields, etc.

Due to the need for consistent income to the Bakersfield Gunners, we have set up a system of monthly payments which each player will be expected to satisfy. Providing monthly payments to the account of each Bakersfield Gunner player will ensure that coaching staff are paid in a timely manner, tournament fees are submitted in a timely manner, fields are maintained and a variety of vendors are paid, per their contracts.

Club Registration Fee and Monthly Fees

The non-refundable club registration fee of (\$225.00) Two Hundred Twenty-Five Dollars and No/100 will need to be paid at the Parent orientation meeting in May for all returning players. For new players the non-refundable club registration fee of (\$325.00) Three Hundred Twenty-Five Dollars and No/100 will need to be turned in with this contract. The new player registration fee of (\$325.00) Three Hundred Twenty-Five Dollars and No/100 will cover the club registration fees and (1) one complete uniform set. Although a player has been extended an offer to join a specific Bakersfield Gunner Team for the 2009-2010 season, failure to pay the Club Registration Fee will result in their position becoming unsecured on the team and an alternative player may be added to the roster in their place.

Monthly Dues - Invoicing

While individual teams may practice prior to the official season, the first monthly dues are to be paid on or before August 01, 2009.

Players that fail to meet the financial obligations of timely payment of the "Club Registration Fee" of (\$225.00) or (\$325.00) and the monthly players dues (\$115 or \$140 respective of age group) will be subject to possible suspension from their team, pending bringing their account current. Suspension from the team includes curtailment of practicing with the team and participation in any tournaments.

A monthly invoice will be provided for each player, indicating their current account balance. All accounts are expected to be current for a player to be in good standing with the club and eligible to participate in practices, games and tournaments.

Invoices will be distributed at practices by the team manager and in some cases sent via e-mail. Monthly dues are the responsibility of the parent, regardless if a monthly invoice is received for that subject month.

Fundraising Events – Both Club & Individual Account

During the year the club will organize a variety of fundraising events. Some of the activities will be for the intent of raising funds for the club to be used for the facility, others for our scholarship account and finally for individual players to earn month to help off set the monthly team dues.

Your account will represent any credits received for your individual participation in fundraising events. Finally, we have these rules and regulations to provide a stable organization that is dedicated to providing the best soccer experience for your child. We believe that we have secured some of the best coaches in Bakersfield and have provided a great practice facility for our teams.

Welcome to the Bakersfield Gunners.
